## CLINTON JUNIOR HIGH SCHOOL

## IN MEMORY OF . . . .

**KEITH SHORT**

This year's annual yearbook is dedicated to Keith Short, who passed away suddenly in late November. Keith was in the sixth grade and just began his tenure at Clinton Junior High School. Even though he had been in this school for a short time, each and every person who was closely associated with Keith will miss him dearly.

Keith Short was a super kid, he served his school well by being a responsible student who achieved high marks in his classes, and he excelled in extra programs after school. He took advantage of other organized programs in the community, such as the YMCA and the Junior Football League. Keith not only participated in these activities, but was an achiever in both programs. He was also involved in his church and church related activities.

Keith was an example of "the good life". He learned many lessons from school, from life-in-general, from church, and from his parents and family. He not only learned, but he applied his learnings and accomplished many things in the brief time he was with us.

Yes, Keith Short was a super kid, and we are very proud to have been associated with him and what he represented. For this reason, we dedicate this book.
